Sparrows

*Music: Algirdas Šumskis
Arrangement: Nijolė Sinkevičiūtė
Lyrics: Leonardas Gutauskas*

We two sparrows, two-two-two.
Across the yard, the two of us
Two-two-two, two-two-two,
Across the yard,
across the yard, the two of us.
Two-two-two, two-two-two,
Across the yard (čir čir),
across the yard, the two of us.

We two sparrows, two-two-two.
Across the marketplace, the two of us
Two-two-two, two-two-two,
Across the marketplace,
across the marketplace, the two of us.
Two-two-two, two-two-two,
Across the marketplace (čir čir),
across the marketplace, the two of us.

We two sparrows, two-two-two.
To the marketplace to eat some grain.
Two-two-two, two-two-two,
To the marketplace,
to the marketplace, to eat some grain.
Two-two-two, two-two-two,
To the marketplace,
to the marketplace, to eat some grain.

Čir...
Two-two-two, two-two-two,
We'll find lots of grain (čir čir) in the market,
in the market.
We'll find lots of grain in the market.
Čir čir čir!
